

6 Tris Place Kings Langley NSW

4  2  2 

This excellent property has been designed with the large family in mind. Boasting 3 generous living areas separated both upstairs and down, 4 bedrooms, 2 bathrooms, double garage and a huge undercover entertaining area surrounded by massive rear yard.

A beautiful home which offers district views from the front balcony as it is positioned perfectly on the high side of a quiet cul-de-sac. Centrally located and only minutes' walk to parks, shops, transport including T. Way, schools and only a short drive to M2 and M7 motorways.

We know searching for a quality home that suits a large or growing family and if needed, could also accommodate the in laws, can be quite frustrating. Well breathe easy, you may have just found it! Definitely a property that must be inspected to be appreciated, so see you at the open home.
